

GCCN Captain Dock Packet (DRAFT)

Gulf Coast Charters Network · Mighty Organix · Sister: Gulf Coast Spearfishing

DRAFT FOR OWNER + COUNSEL REVIEW — NOT LEGAL ADVICE. NOT FINAL. Use when a captain agrees to list one signature trip. First cold handshake can stay intro-only.

What to bring (print 2 copies)

- Form A — Operator Participation Agreement (IC)
- Form B — Signature Trip Addendum (fill together)
- Form C — Compliance & Insurance Acknowledgment
- Economics one-pager (12% / ~88%)
- Phone to photograph USCG credential + COI (do not keep originals)

Also later (not on clipboard): W-9 when you first pay · payout details via Stripe Connect / secure means — not handwritten on the dock.

Do NOT sign on first cold handshake

- Exclusive or multi-year lock
- Personal guarantee
- Blank price / unilateral fee changes without notice terms
- Anything assigning their boat, brand, or guest list
- Waivers that pretend GCCN operates the vessel

FORM A — Operator Participation Agreement (Independent Contractor)

Operator is an **independent contractor**. Network is a booking marketplace (deposit, itinerary, matching). Operator captains their own vessel. **Non-exclusive** in Year 1 under this draft. Network fee **12%** of listed trip price on Network bookings; no monthly software fee. Deposits (~30% default) via Stripe — deposit float is not Operator OpEx. Operator must keep USCG credential + liability insurance current before live bookings and notify Network within 24 hours of any lapse. Operator is solely responsible for on-water safety and compliance. Honor Green/Yellow/Red weather protocol; Red → deposit credit/rebook per policy. Either party may end with 14 days' notice; confirmed trips still run. Publicity: limited license for approved names/photos. **Limitation of liability and governing law are placeholders — counsel must rewrite.**
